

## PRODUCT REPRESENTATION

*"SERVICING THE SECURITY INDUSTRY"*

### INNOVATIVE MANUFACTURING SOLUTIONS

**Custom Sheet Metal:** Design & Fabrication, Electronic Enclosures, Brackets, Mounts, Lock Box Enclosures, Monitor Housings, Microphone Boxes, Accessory Kits, etc., Concept to Completion, Assembly & Fulfillment, Private Label, and Custom Packaging. ([www.innovativemfgsolutions.com](http://www.innovativemfgsolutions.com))

### VIGILANT VIDEO, INC.

**Video Analytics:** As a Manufacturer and Provider of High-End Video Analytic technology, **Vigilant Video, Inc.** offers products that include License Plate Recognition both mobile & fixed applications along with Facial Recognition and Intrusion Detection. ([www.vigilantvideo.com](http://www.vigilantvideo.com))

### COSTAR VIDEO SYSTEMS, LLC

**VIDEO IMAGING Products:** **Costar Video** offers a full line of innovative Video Imaging products, designed for commercial, industrial and residential applications requiring high quality/unmatched dependability. ([www.costarvideo.com](http://www.costarvideo.com))

### EXACQ TECHNOLOGIES

**exacqVision:** **exacq Technologies**, is a leading developer of open architecture, **Network Video Recording (NVR)** solutions. The **exacqVision Client-Server NVR** products are scalable from a small single camera solution to a large scale Corporate or Campus system involving thousands of cameras. Allowing Real-time and recorded video to be viewed, managed and configured from any location on the network. ([www.exacq.com](http://www.exacq.com))

### DYNAMIC NETWORK FACTORY SECURITY

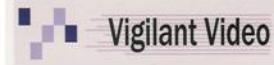

**DNF Security:** **DNF Security**, has a Recording Platform that integrates camera management, access control software, servers, and storage into an optimized IP surveillance system designed to take the guesswork out of IP Surveillance. **Dynamic Network Factory**, has an Integrated Falcon Series video management solution that is ideal for organizations looking for integrated high performance image/video management and RAID-protected storage. ([www.DNFSecurity.com](http://www.DNFSecurity.com))

### IPx, INCORPORATED

**IPx:** **IPx, Inc.**, offers cost-effective, IP-based physical security products for network video surveillance and related applications. Offering high-performance, innovative solutions from entry-level to enterprise-class, **IPx** components are designed for VARs seeking practical solutions to challenging deployments. The **IPx** security product portfolio includes network video cameras, environmental enclosures, Power-over-Ethernet and custom configurations. ([www.ipxinc.com](http://www.ipxinc.com))

### POE TECHNOLOGIES

**PoE:** **PoE Technologies**, is a leading Manufacturer of high performance Power-over-Ethernet (**PoE**) networking products. Products include, harsh environment Single-Line & Multi-Line Ethernet Extenders, and the worlds first IEEE-802.3af/at PoE Network/IP Camera Enclosure. **PoE Technologies** is in the forefront of the digital convergence in the perimeter security market, developing & engineering products that change the advancement in CCTV technology, while providing a cost effective solution. ([www.poetechnologies.com](http://www.poetechnologies.com))
